The fabulous
NEW Renault Ranger
coachbuilt and the
bargain Rainbow!

There are many open weekends in the motor caravanner's year – but the one at Richard Holdsworth Conversions is the one not to be missed.

For a start, the Richard Holdsworth range is the exciting one with superb motor caravans built on a whole variety of chassis. There's the Renault Ranger coachbuilt – something that's quite out of this world – right down to the most amazingly priced Rainbow high top and elevating roof vans.

And, of course, there's the Richard Holdsworth Volkswagens – from the best selling Villa to the enthusiast's choice, the Vision.

All these vans – plus a selection of second hand Holdsworth – will be on display and available for thorough inspection, test driving and buying. There's refreshments for all and children's entertainments. The Richard Holdsworth open weekend – the one NOT TO MISS!!
